*The Inn offers two separate dining rooms for functions and special events. The Garden Solarium and the Main Dining Room; seating up to 40 guests each for inside dining.*

*Our larger events can be held in our Historic Barn or be a tented affair in the Perennial Gardens between the Inn and our Carriage House. We have a wonderful tent company "Rain or Shine" out of Albany, New York, which we work with. They offer a variety of tents, dance floors and accessories, taking care to see that each event is a success.*

*Attached is approximate pricing for some of their rentals. This is an estimate for the basics and does not include some items you may wish to have such as additional lighting, assorted bar glasses, dance floor, etc. We are happy to provide customized quotes for you at any time. Property/Co-coordinating Fee of \$1200 will be adjusted according to the size of the event, in addition to the tent invoice.*
