THE BRIDAL SUITE

A Bridal Suite is a special area for the newlyweds. Your Bridal Suite at this venue is hidden in a uniquely Alaskan log building, called the Bear Den. The Bear Den is located on our property, about 30 yards from the Wonder venue structure. Although the Bridal Suite is a separate area in the Bear Den, the entire Bear Den building is exclusively for the use of you and your wedding party during your event.

The Bear Den and its Bridal Suite is for your exclusive use during your event.

The Bear Den is a fully equipped log vacation home with 2 full baths and beds for 9 guests. The bed count includes 2 queen beds, and 5 twins. The building is equipped with Wi-Fi and USB internet access. The first floor has a full kitchen, breakfast bar, and dining table. The big family room has leather-recliner furniture, a log entertainment center, HD flat screen satellite TV, a foosball table, and a comfortable day bed. Also on the first floor is a laundry room with large capacity washer and dryer and a library area with 3 work or play stations. The piano is in the front entry room.

Upon entrance to the Bridal Suite area from the Bear Den's family room, you first step into a small entry room that connects the family room with the bedroom chamber and the bridal suite's bathroom. There is a fourth door that opens to outside and to a raised deck where the couple can enjoy their morning coffee,

breakfast, evening cocktails and meals in the fresh, clean, Alaska air - as they watch for moose that may be waking by. This small entry room also serves as an Alaska Native culture area where a few educational cultural exhibits are displayed.

The bedroom is a carpeted room with its east-facing wall full of windows with blackout blinds that can be raised or lowered and opened or closed. The queen-size bed has a comfortable mattress and have silky, satin sheets to lie on for that “plush feeling”, with four pillows and a warm comforter.

AT YOUR SERVICE

Bear Paw Adventure is a unique Alaskan lodging and adventure service, located on the west side of the Alaska Kenai Peninsula near historic Anchor Point. This area is well known for scenic beauty, and for exciting Alaskan outdoor adventures. This is a family business owned and operated by John Ogle, Sr. and by John Ogle, Jr. who lives on site year-round. Beginning in 2021, Bear Paw offers a unique outdoor wedding venue service where couples can make their wedding promises in a clean, healthy, open Alaska environment. Our staff will be “At your service” during your event.

Meet your hosts.

John Ogle, Jr. will be your host. He is the builder of The Wonder and all the other structures and improvements you will see on the property, including the Bear Den where the Bridal Suite is located. John has lived in Alaska since 1986 and has 5 children. He is a carpenter, log furniture and log cabin builder, and a retired commercial fisherman and sports fishing guide. His hobbies include all the Alaskan outdoor adventures including gold prospecting and gardening. He also enjoys sailing in Florida and the Bahamas in the winter months. John has hunted and fished much of Alaska and is a valuable resource for guests seeking advice about fishing or what to see in Alaska.

John Ogle, Sr. is the reservations and pre-check in information contact for this family business. John enjoyed working as a professional engineer in the Chemical Industry, primarily in Hydrocarbons and Energy production and on Environmental projects before joining John Jr. in this exciting Alaskan adventure. His hobbies include the Alaska outdoor adventures, photography, and gardening.

John (Leo) Ogle is the onsite jack of all trades. Upon graduating high school, Leo decided he wanted to take on the legacy of the family business. Since then, he has lived onsite and has worked as host, cabin maintenance, carpenter, and more! Leo is an avid fisherman and enjoys clamming and shrimping when he has the opportunity.

Sophie Wettach-Ogle works behind the scenes with Bear Paw completing administrative tasks. Growing up on the Bear Paw property, she has gone on to college, traveled the world, and became an accomplished pediatric nurse living in Oregon. Sophie enjoys exploring the beautiful

scenery in Alaska through hiking, camping, fishing, and kayaking. She holds the distinction of being the first to be married in The Wonder. Sophie is one of our two Wedding Specialist and available to help you as a day of the wedding coordinator.
