Our Belief...

Welcome to the Waterwheel Restaurant at The Inn at Gristmill Square. We are committed to bringing our guests the finest and freshest ingredients. We believe in building relationships that help support local farmers. If we can't get it locally we make sure to purchase products that uphold sustainable and responsible farming/gardening practices. Our talented culinary team creates everything from scratch and, as such, make frequent menu changes as our availability varies from week to week and season to season. From all of us at the Gristmill, this is our life's work, and our greatest accomplishment, and for that we are very proud and hope you enjoy your experience. If there is anything we can do to enhance your visit to our inn, restaurant, or Bath County please let us know. -John and Kate Loeffler
