NEWSLETTER OF THE CALIFORNIA HISTORICAL ARTILLERY SOCIETY  
FEBRUARY 2010

## Commander's Call

*Alan Ginos*

What an excellent setting for our annual meeting last Sunday! Almost half the unit was treated to the fine facility at the Ca. Military Museum. Thank you to those that voted in this year's unit election. Your command staff will certainly strive to live up to your high expectations.

There are two activities on the board for February to start us getting back up to speed for coming campaign season. First up is a living history day February 6<sup>th</sup> at the Old Sac Ca. Military History Museum. See the separate article contained within, or the e-mail call to arms for this one. Then the weekend of February 20<sup>th</sup>, we will have our first work party in Salinas to begin working on equipment repairs and maintenance.

For any of you contemplating attending the NCWA winter quarters educational weekend Feb 27-28, there will be many classes and information available to help you with your impression and living history.

## Museum Days

CHAS has accepted an invitation to participate the Ca. Military Museum on Feb 6 for Museum Days. This will be a full day of living history with a cannon on display in front of the museum. For those of you that attended the annual meeting last Sunday, you already know how awesome the interior displays are at the museum, and our job is to add to the street scene. We will be paying back the museum for the use of their excellent facilities for our meeting.

As an added bonus, our friends from the 143rd Field Artillery, CA Nat Gd, will be there as well with one of their new light 105's. This is the unit we sent off from Camp Roberts.

The day runs from 9 to 5, and we need to be there at 8 a.m. to unload the gun, park our cars at the Towe museum, then shuttle back to the museum. We can use people throughout the day, so let me know if you can and would like to attend.

## Dispatches from the Dog Tent

*Ted Milgovich*

CHAS's 12th annual membership meeting was a complete success! We had an excellent day of good weather, except after the meeting it started to rain for us going all going home. Our new location at the California Military Museum in Old Sacramento was just great. The museum, and especially Dan Sebby, the museum's curator, were excellent hosts. I was aware of the facility as last year's PACWR meetings were held in the same location. Our members seemed very happy with the centralized location and the facility itself. There was overwhelming support to continue the annual meeting in the January time frame and Sunday slot. The pot luck food idea was again a complete success. Our members brought the usual assortment of side dishes and

*"Dispatches..." - Cont.*

goodies. Special thanks to Donna Schulken and Teri Moretti for organizing the main course chicken part of our meal. Thanks to Jeannine Morgan and Mike Johnson for preparing food display and doing the miscellaneous work to make it all look and taste so good.

Our organization's overall membership is down just a little but the turnout for the meeting was as high as ever. It is for sure great to see so many turn out for the event. The meeting's "theme", or maybe better to say "my" theme was making our membership aware of our financial situation. It was brought up in the meeting that we have \$45,000 in our treasury, compared with some other reenacting clubs reporting in the few thousands. Well yes, we do have a good reserve, thanks in not small part to our penny pinching treasure Mike Johnson. But as we all know we have a lot of ongoing expenses and we really need a new source of income to maintain that reserve and to keep the organization going. Yes we are working on the down sizing as we have talked about before. But we need to keep in mind that various expenses that were underwritten in the past are becoming the here and now expenses of today and the future.

There were a lot of thanks and acknowledgements of our members and sponsors and award recipients as always. The minutes will reflect this long and complete list. This year marked the first time nobody received any plaques, gifts or even a certificate from me as President. I did this personally to reflect that we have to watch ALL expenditures. It was hard not to reward those who have done so much for the organization as in times past. Maybe I went too far in my message. I know it does not cost much to do even a simple paper certificate, but it was the theme I was behind. I know I got an ear full on the way home from Jeannine about what I did. I just want to set the record straight that it was my decision, not the board's, to play the "spend no money on the annual meeting" game.

Thanks to Mike Johnson for the usual picture slide show of the year 2009. There was a special part mid-way through showing many pictures of Norm Roger over the years as a reenactor. We all remember and miss Norm as he departed us mid-year in 2009. 2009, was Norm's year as he will always be remembered as the recipient of BOTH our unit's highest awards - the Ed Pico Historian Award and the Larry Schneider Member of the Year award.

The next board meeting will be held on Thursday February 18th, 6:00 pm at the Marie Callender's in Concord. As always, you may attend or contact your member at large.

## The Recruiting Desk

*Wes Faubel*

Wake up boys! I can almost hear Boots and Saddles in the distance. It is time to gather all of the that old equipment out of the attic and begin shining the brass for our first inspection. But, first if you have not done so, send in your current reenlistment papers before we have to send 'round the ladies of the Sanitary Commission with their wooden spoons!

The annual meeting was a huge success with many sets of reenlistment papers and safety tests being submitted for processing; so many that we here at the Camp Casualty Personnel Bureau have not quite made our way through them. You will have to wait until next month's dispatches for a current membership report!

Also congratulations to Nathan Bricklin, winner of the annual CHAS \$25 shopping spree on Café Press.

See you on the parade ground.

## Civilian Corner

*Judith Boling*

Thank you to all who voted in the recent elections. I will strive to make the coming reenacting season enjoyable and memorable for everyone.

Late last year I e-mailed a survey to all CHAS civilians. To date, I have received only four completed surveys. I am interested in what activities you would like the Sanitary Commission to engage in during events.

CHAS members are required to complete annual safety testing. Additionally, the NCWA is now requiring annual safety testing; they have adopted the PACWR safety tests. All safety tests are available on our website, [www.warhorse.org](http://www.warhorse.org) in the Members section. If you haven't already done so, please take a few minutes to print the appropriate Rules and Regulations and safety tests. All civilians must complete the CHAS Camp Safety Test and the PACWR General Safety Test. These are open book tests. Please send the CHAS tests to Wes Faubel and the NCWA tests to me for signature and forwarding to the appropriate person at NCWA.

There are several opportunities for civilian reenactors to participate in activities in February and March:

- ★ Military Day at the California Military Museum in Old Town Sacramento on February 6. This is an opportunity to support the modern troops. We have the opportunity to support the troops and talk with the public about the important role the Sanitary Commission played during the American Civil War.
- ★ NCWA Winter Quarters will be held February 26 – 28 in Benicia, California. This is an excellent and growing educational event. Some of the instructors are well known throughout the national reenacting community.
- ★ Mooney Grove in Visalia, hosted by CWRS, March 5 – 7, is a small event. In the past I have enjoyed strolling through the camps and sutlers, as well as becoming better acquainted with the ladies of the Washington Artillery, who support Duncans Mills and are usually camped near our unit at Moorpark.

During lunch at the annual meeting interest was expressed in a sewing weekend in Santa Nella. More information will follow as plans for the weekend are developed.

## Fundraising

*Donna Schulken*

What a wonderful day we had this past Sunday at our annual meeting that was held at the Military Museum in Old Sac. I would like to thank Ted and the rest of the board for an enjoyable and informative meeting. Ted's message was; we need to **increase revenue** and **decrease costs**. Funny that is what I heard at work this morning at our quarterly meeting. And, with an organization like CHAS that is where FUNDRAISING comes in.

As most of you heard if you were at the meeting, fundraising needs a lot of assistance. Or better put, Donna needs a lot of assistance. I was very pleased at the request for SHARES cards by folks who were there. Wes Faubel took a large handful and will be including them in with your membership card for this year. If you don't have a Lucky, SAVE MART, S-Mart or Food Maxx grocery store available in your area maybe someone you know does and they can help too. Remember your name is not associated with the cards and they don't track your individual purchases, so get the cards and most importantly start to use them right away.

Don't forget to sign up for Good Search as your search engine. It will allow you to donate to CHAS via not only using the search engine, but if you happen to purchase anything online from companies such as Amazon, eBay, Bed, Bath and Beyond to name a few will donate a percentage of your purchase through Good Search to CHAS. Keep in mind this is an easy way to help our organization without anything extra out of our pockets.

Please look to your employer for possible donations. Large corporations have foundations as part of their organization that donates to non-profits. CHAS is a registered non-profit organization; that means that any donation from individuals or corporations is tax deductible. When you do your taxes this year and you find you may need to increase your non-profit deductions for 2010, think of CHAS. 100% of your donation is tax deductible to the extent of the law that is allowable; you benefit and so does CHAS.

Let us all start thinking out of the box for new ideas! I look forward to hearing from all of you with what you have to say!

We finally have a sponsor for the Fundraiser Dinner. I will meet with him within the next few weeks and will hopefully have more information by our next issue of the Cannon's Mouth.

Keep thinking of ideas and let me know...

## 2010 January Edition

Welcome to the first edition of the **Tavern Times**, for **2010**. The Official Newsletter of the **Cock & Pullet Pub** and **Mavericks Gaming Hall**. We wish you all a Happy New Year.

---

### 2010 Cock & Pullet Mug

The new edition of the **Cock & Pullet** Mug will be on sale in 2010. The color for this year will be either **Purple** or **Wine**

Mugs will be on sale at our first event. We do still have 12 of last years mugs, so if you did not get the **2009** collectors edition, you still have your chance to do so at the first event. We will, as usual be selling out the old stock of mugs prior to starting the sale of the new edition.

### Accounting Department

Last year we were pleased and privileged to take back a very sizeable contribution to **Camp Moore, LA**.

In November, members of the **Cock & Pullet Pub** and **Maverick's Gaming Hall** traveled to **Camp Moore** to participate in the Annual Reenactment there and to present to the members of **Camp Moore** a check for the donations raised in California through the sale of the **Cock & Pullet** mugs, t shirts, raffle tickets, and **Gaming** Table proceeds.

We were able, with the generous donations from our friends that

participated in our activities here in California, the **Washington Artillery**, and others that donated to present **Camp Moore** with a check for \$ **3250.00**.

This sum includes not only the monies raised at the **Pub** and **Gaming Hall**, but also a **VERY** generous donation from the **Washington Artillery**, **Doug and Pam Carroll**, **Scott and Donnalee Simmons**, **Paul and Janet DeNublio**, and numerous others that their names escape me at this time.

This brings the total contributions that the good people of California have donated to **Camp Moore** to approximately a little over **\$18,000.00** since our initial inception of the idea of the **Cock & Pullet Pub** and **Maverick's Gaming Hall**.

We of the **Cock & Pullet Pub** and **Maverick's Gaming Hall** would like to take this opportunity to thank each and every person that has in any way helped support **Camp Moore** and keeping the doors open for this Historic Treasure of our Nation.

It is because of all of you that have made a generous donation in these hard economic times that we are able each year to take **YOUR** donation back to **Camp Moore** and present it on behalf of you all.

The Good people at **Camp Moore** thank you all, each and everyone for your sacrifice, and generosity to them.

Should any of you ever find your way to **New Orleans Louisiana**, please take the short drive to **Camp Moore** to visit and say "hey" to them. They will be most happy to see and meet you, and will no doubt express their most heartfelt thanks to you in person. Please drop by if you are every there on vacation or passing through.

It was decided that should we ever decide to add additional "Plank Owners", that it will only be opened to those people that have taken an active role in the **Cock & Pullet Pub or Maverick's Gaming Hall** as cast member for a period of at least two years prior: be people of good standing in the reenacting community and with the "Plank Owners" of the **Cock & Pullet Pub**: of good temperament and ability to not only add to the reputation but also be willing and able to help with the logistics, set up, take down, transportation, and operation of the **Pub** and **Gaming Hall**. The proposed new "Plank Owners" will be subject to a vote of the "Plank Owners", and must be approved by a unanimous vote, in addition to making the customary investment as a "Plank Owner" of the sign.
