Opened in Prayer: Mrs. Kathie Smith

New Business: Auction on April 3rd

The discussion revolved around how the Auction operates for all of our new folks.

- Themed Baskets are chosen for each classroom
- Parents collect donated items from the community
- A nice meal is served
- A live Auction occurs
- Teachers auction themselves off
- Invite everyone that you know

We agreed to go into more detail at the next meeting, but to get items for the Auction ready quicker this year so that Mrs. Julie is not ambushed in the days before.

Closed in Prayer: Elizabeth Cline
