We may purchase “Hole in One” Insurance

Each classroom will be responsible for getting 5 sponsors for the tournament.

Each hole may be sponsored for \$100.00

Teams will consist of 4 players and each player pays \$65.00 which includes a meal

We may look for sponsors for shirts for teams or for workers.

Julie is still trying to procure a helicopter for the tournament. She was able to get golf balls at a great price at one of the thrift stores.

The committee for the tournament includes:

Jessica Sherrill

Julie Kraus

Barbi Clouse

Kathie Smith

Darci Bernabei

April Oakes

Brittany Schubert

Kim and Daniel Patterson

Teacher Appreciation Week is May 6th – 10th

We have in the past done a breakfast and a lunch. The school buys gifts.

New Business:

CAC Golf Tournament is scheduled for June 22nd at Bear Trace. Sponsorship packets went to families this week. More info will go home with renderings of the new facility for which we are raising money. If a family sells a sponsorship, their name is put into a drawing for a \$300.00 scholarship. Brittany is making golf ball cake pops for the tournament dessert. LeAnn is asking about having T-shirts made. Mrs. Darci will send a note about turning in sponsorships as soon they are acquired so that we may begin getting signs ready.

Emily is working on a t-shirt design to sell at the end of the year.

Teacher Appreciation Week is May 6th – 10th

Kathie Smith is providing breakfast as she did last year.

Mrs. Kathie mentioned having a gathering of some kind in order to get re-enrollment and new enrollment at the same time. This way, families could meet, tour the school, mingle and get to know one another. Connections make people feel more at ease about joining and helping. We do not feel that our families do not attend KORT because they do not care. We feel that people are not comfortable, are too busy, or do not feel like they are needed.
