

The Knightly News

The Rest of the Story

IOWA:

The students and teachers worked very hard on the IOWA exam. We look forward to getting the results back. The students were quiet and really seemed to concentrate. Thanks for getting the children here on time. We always have wonderful volunteers that help with proctoring those tests. This year, the high school had guest speakers from colleges, TCAT, the military and Crossville businesses.

TEACHER APPRECIATION:

The week of May 3 - 7 is when we celebrate our wonderful staff. The parents at CAC are always so thoughtful throughout the year. Thanks to the best staff on the planet!

NATIONAL DAY OF PRAYER:

What an honor to be able to participate in this program. We will celebrate this event by gathering and praying at some point in the day. Please join us here or where you are on this day to pray for our nation and its leaders as well as our school. Thursday, May 6th is the date.

GOLF TOURNAMENT:

James 1:12 "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him."

The golf tournament was amazing as always. Thank you, Julie Kraus, for awesome organization. We had a ton of volunteers and would love to thank them as well. Many hands make light work. This was so true at this event!

CONCESSION STAND:

The Knights and Lady Knights had a phenomenal night at the Truck and Tractor pull. We had an awesome group to work with and raised a great deal of money toward next year's teams.

THANK YOU:

Parents, teachers, board members, staff and students, I would like to thank you all for making this a wonderful year. The plans for next year so far are to have all of our family at this facility, while using the gym in our new facility. We are having growing pains, and dealing with COVID, but we have survived. I have never worked with a group of people who are more gracious and supportive than the CAC family. Thank you for allowing me to serve!

~ Mrs. Darci

Happy Summer
