

Shooters Fieldhouse Advertising Banners Fundraiser

Shooters Soccer Club will be running an awesome fundraising opportunity for every player. Each player has the opportunity to sell advertising banners in the NEW Shooters Fieldhouse. The money raised for each player can be applied towards:

Training fees, Tournament fees, Club fees.

Here is how it works:

Ask local businesses/individuals if they would like to buy an advertising banner in the new Shooters Fieldhouse (\$350 – the cost of the banner is \$50...renewals will be \$300...so this has great potential to be an ongoing successful fundraiser for families) – These banners (4'x6') will be displayed for one year (February 2018 – February 2019). This is great PR for the business/individual – Shooters Soccer Club is a Federal 501C3 Non-Profit – so all donations are tax deductible.

It is also great for the player

All money players earn will be used for soccer expenses
(training fees, tournament, club fees)
